					52	1.0	*\$27,840

*The Night Flying unit of study is optional. It will be recommended to students entering without the required night flying experience of one hour dual and one hour solo circuit flying at night. Students entering with the night circuit flying requirement will receive recognition of prior learning for unit of study NGH01.

This VET Course of Study includes only Diploma level units of competency from the Aviation Training Package AVI08 (Version 5.0).

As this FTA course is approved under the Higher Education Support Act 2003, eligible students' tuition fees may be deferred under the VET Student Loans scheme.

It is a government requirement that only those who meet all the CASA requirements (for them to commence this course) can access a VET Student Loan for this course at FTA.

Please note that the above does not include the following incidental fees, which must be covered by the student:

- ASIC Card. Cost published by CASA on www.casa.gov.au
- Medical licence fee. It should be noted that there are a large number of CASA approved doctors nationwide (fees can vary)
- Uniform – approximately cost \$635
