

AVI50519 Diploma of Aviation

(Instrument Rating)

Diamond DA42 L360

Course Information

Duration

- Full time: 8 weeks
- Flying hours: 33
- Simulator hours: 22
- IREX ground theory

Delivery

- Ground theory classroom lessons
- Group air briefing presentations
- Individual flying lessons

Course fees for 2024
\$32,852

The DA42 Twinstar is the aircraft of choice for FTA's multi-engine instrument flying phase. Its commonality with the DA40 cockpit allows for an enhanced learning experience in the IFR environment and the autopilot and glass cockpit functions are the ideal foundation for aspiring airline pilots

Course

Integrated ground theory and practical flying delivered over two modules of training. The course provides students with the required hours and IREX theory credits to achieve a CASA MECIR

Careers

The Multi-Engine Command Instrument Rating allows pilots to fly in full Instrument Meteorological Conditions (IMC) at all phases of the flight, both during the day and at night in any operation permitted by the grade of pilot's licence held. Students who want to further their aviation careers to become airline pilots or commercial pilot working in all types of conditions
