## AVI50419 Diploma of Aviation (Flight Instructor)

Diamond DA40

FTA currently uses the Diamond DA40 aircraft for instructor training. This robust and modern trainer reduces pilot workload with an intuitive glass cockpit while providing handling characteristics that enhances the learning experience for aspirational instructors under training.

### Course

The course provides students with excellent grounding in classroom presentation and airborne instructional technique. The course syllabus is divided into the following sections:

- Principles and methods of instruction
- Mass briefs
- Theory discussions
- Workshops
- Flight exercises

### Careers

Flight Instruction

## Entry Requirements

- Class 2 medical certificate
- CASA Commercial Pilot Licence
- CASA CIR (desirable)
