AVI50519 Diploma of Aviation

(Instrument Rating)

Diamond DA40

The DA40 is the perfect aircraft for ab initio training. It has excellent low speed handling characteristics for the basic flying phase, offers increased situational awareness and safety by virtue of the Garmin 1000 aviation suite and Traffic Alert System.

It is an ideal learning platform to achieve a single-engine instrument rating and provides an excellent introduction into instrument flying.

Course

Integrated ground theory and practical flying delivered over two modules of training.

The course provides students with the required hours and IREX theory credits to achieve a CASA SECIR

Careers

The Single-Engine Command Instrument Rating allows pilots to fly in full Instrument Meteorological Conditions (IMC) at all phases of the flight, both during the day and at night in any operation permitted by the grade of pilot's licence held.

Students who want to further their aviation careers to become airline pilots or commercial pilot working in all types of conditions

INSTRUMENT RATING - AEROPLANE
