This VET Course of Study includes only Diploma level units of competency from the Aviation Training Package AVI (Version 5.0).
 As this FTA course is approved under the *VET Student Loans Act 2016*, eligible students' tuition fees may be deferred under the VETSL scheme.

Skills SA Subsidy is an initiative of the South Australian Government. Eligible students who complete the units of study they are enrolled in will have a subsidy paid to Flight Training Adelaide. Flight Training Adelaide will apply this subsidy to the students VSL account, reducing their overall debt.
 Subsidy does not apply to units of competency where a credit transfer is granted.
 Subsidy amount is based on current published subsidised training list.

Please note that the above fees are for tuition only. Incidental/non-tuition fees are listed in FTA's Student Handbook available at <http://www.flyfta.com/course-information/student-handbook>
